

Understanding the World.

Have a go at making your own bean experiment:

<https://www.communityplaythings.co.uk/learning-library/articles/growing-beans-in-a-bag>

What happens to the bean that has lots of water?

Can your child talk about any changes that have happened to the beans with water and without water?

Literacy

Listen to the story Jack & the Beanstalk:

<https://www.youtube.com/watch?v=W5rxfLRgXRE>

Can your child tell you who climbed the beanstalk or who lived in the castle?

Our theme is called:

Let's investigate growing changes

Here are a selection of activity ideas you can do at home to support this topic.

Physical Development.

Have a go at copying letters from your name.

Take the activity outside and practise writing and drawing using large chalks on the floor or water painting.

Expressive Arts and Design

What can you use around your house to build a castle for the giant?

Sing along to the song:

There's a tiny caterpillar on the leaf
<https://www.youtube.com/watch?v=JOlbSEOCmNM>

Mathematics

Go on a Spring walk around your local area, make it fun by turning it into a scavenger hunt!

How many leaves can you find?

How many different coloured flowers can you see?

Can you order the leaves biggest to smallest?
