

My name is Chloe Vaughan and I am delighted to introduce myself as one of the parent governors for *Wrockwardine Wood Infant school and Oakengates Nursery Federation*.

I am in full time employment and also a part time student working towards a Business and Management degree. Alongside this, I also have my hands very full being a mother to my daughter who attends Oakengates nursery.

My daughter is the reason I have decided to become a governor. I did a lot of research when I was looking for a Nursery place for my daughter. I have gained an interest in the federation and the education it provides. The standards and learning environment were very important to me when I carried out my research.

I have been so happy and pleased with my daughter's progress at Oakengates Nursery in such a short time that when there was an opportunity to become a member of the governing board for the federation I jumped at this chance. I am eager to support the federation in my new role.

I believe that my professional background and experience, as well as my current learning alongside being a parent will help me become an asset to the federation.

I look forward to my journey as a member the Governing Board and I believe it will be a rewarding experience to be part of the leadership of the school.
