

Edgmond Hall

Year 2 Residential 2024

'Love, Laugh, Learn'

EDGMOND HALL

Edgmond Hall is a Georgian farm and outbuildings. It is now owned by Sandwell Council and used by schools as a residential education centre. It is situated in an attractive village near Newport.

ACCOMODATION

The children will sleep in dormitories within the main house. Staff will sleep in bedrooms next to the dormitories. There will be separate rooms girls and boys.

FACILITIES

Floodlit playing field.

Adventure playground.

45 acres of woods, fields and gardens.

Well-equipped classroom and teaching resources.

- ▶ The staff at Edgmond Hall strive to provide food which is wholesome, and children enjoy.
- ▶ There it is a fixed menu; however, they are happy to cater for any special dietary requirements.

2.30pm – Arrive back at school

LEARNING OPPORTUNITIES

Residential visits for schools are a key part of the national curriculum and create experiences that enhance children's' classroom learning, adding opportunities that children may not otherwise have. It promotes the importance of allowing children to connect with the outdoor world, and the powerful and inspirational lessons to be learned by getting children outside.

The exciting activities have been chosen with specific goals in mind –confidence building, teambuilding to encourage pupils to work together and to encourage independence. The activities also help children to meet the Year 2 Science learning objectives.

As well as the physical health benefits, school residential visits have been proven to have a positive effect on children's self esteem and confidence levels, thereby improving their emotional health and well being

COST

The cost for the visit is £112.00 per child.

This cost includes all transport, activities, meals and overnight accommodation.

All activities would be closely supervised by qualified instructors and school staff.

This can be paid in installments.

A decorative graphic consisting of several parallel white lines of varying lengths, slanted upwards from left to right, located in the bottom right corner of the slide.
