'Love, Laugh, Learn'

21 March 2025. Spring Term: Week 10

A Message from the Headteacher

Dear Parents and Carers,

What a lovely week it's been in school – there's definitely a feeling that spring is on the way!

It was a real joy to watch the first of our Spotlight on Learning assemblies from Robins and Wrens on Thursday. The children were so confident and enthusiastic – it was wonderful to see how many exciting learning opportunities they've taken part in. A big well done to all involved!

Our Gardening Club also got off to a brilliant start this week, helped along by the sunshine. Children and staff alike enjoyed getting stuck in and making improvements to our outdoor spaces – thank you to everyone who took part.

Thank you, too, for your generous contributions to Comic Relief. We'll be announcing the grand total raised in next week's newsletter.

Looking ahead, we're excited for Telford Sings next week, where some of our Year 2 children will be performing at the International Centre – a fantastic experience for them! Year 1 are also looking forward to their trip to Twycross Zoo.

Wishing you all a restful weekend,

Best wishes,

Mrs Jenny Gascoigne
Executive Headteacher

School Meals

Ordering Sandwiches

We have reviewed the way sandwiches are ordered. From this week onwards, if your child would like a sandwich meal, please complete the short online form weekly instead of using the previous paper order form from the school office.

To ensure that the kitchen can place the correct food order, sandwich orders must be **submitted weekly in advance by 9 AM on Friday** for the following week. Unfortunately, we will not be able to accept daily orders.

To access the online form:

<https://forms.office.com/e/RMpQ34ZcnM>

We are now taking orders for the week commencing 31 March 2025

New School Meal Menu

We are pleased to share that our new school meal menu will be launched after the Easter holidays. To view the updated menu, click [here](#).

You will be pleased to know that all of our meals comply with the School Food Standards. They are designed to help children develop healthy eating habits and ensure they have the energy and nutrition they need to make the most of their school day.

Beep Beep Day

We are delighted to share that we successfully took part in Beep Beep! Day on Wednesday, 19th March 2025, with all children engaging in valuable road safety learning.

Reception participated in a fantastic workshop led by the Active Travel & Road Safety Team, where they explored essential safety skills through interactive activities.

Meanwhile, Nursery, Year 1 and Year 2 took part in classroom discussions, learning about:

✓ **The Green Cross Code – Stop, Look, Listen, and Think before crossing.**

🧑🏫 **The importance of holding hands with a trusted adult near roads.**

🚲 **The benefits of wearing helmets when riding bikes and scooters.**

The children showed great enthusiasm and curiosity, asking thoughtful questions and sharing their own experiences. We encourage you to continue reinforcing these safety messages at home during your daily journeys.

Thank you for your support in helping us promote safe habits that will last a lifetime.

🚦 Stay safe and be seen! 🚦

Health Visitor drop in next week

Health Visitor

We are excited to invite you to a Health Visitor Drop-In Session at nursery on:

Wednesday, 26th March at 8:45am.

This is a fantastic opportunity to discuss any concerns or questions you may have about your child's development and school readiness.

Our experienced health visitor will be on hand to offer practical advice and support on key topics, including:

- ✓ Toilet training
- ✓ Sleep routines
- ✓ Healthy eating habits
- ✓ Managing behaviour and emotions

Whether you have specific concerns or simply want reassurance, this informal session is a great chance to get expert tips and guidance. We encourage all parents and carers to attend – together, we can help ensure your child is confident and prepared for their next big step into school.

Talking to your child about online safety

Advice on how to start the conversation and get support if you're worried.

Many of us see our online lives and offline lives as different.

But for children growing up with technology and the internet, there isn't a difference – online life and offline life is just life.

Technology can move at an extraordinarily fast pace. So it can be difficult to know how to start talking to your child about what they're doing online, who they might be speaking to or discussing the potential risks and issues.
