04 April 2025. Spring Term: Week 12

A Message from the Headteacher

Dear Parent and Carers,

As we reach the end of this week, I'd like to share a few useful resources from the recent health visitor drop-in session. These might be beneficial for families as we continue to support the health and well-being of our children:

- Child Feeding Guide: Helpful tips on nutrition and feeding: [Child Feeding Guide](#)
- ERIC National Sleep Helpline: Advice on managing your child's sleep: [The Sleep Charity](#)
- YouTube Video on Child Health: A useful video on child development and health: [Health Video](#)

This week in Nursery, our children have been experiencing a real sense of awe and wonder as we watched chicks hatching from their eggs. It's been a magical experience, and it's so wonderful to see the children so engaged and excited by the natural world around them.

Also, please remember that the school meal menu will be changing after the Easter holidays. You can view the updated menu here: [School Meals Menu](https://www.wrockwardinewoodinfant.org.uk/parents-area/useful-information/school-meals-menu)
<https://www.wrockwardinewoodinfant.org.uk/parents-area/useful-information/school-meals-menu>

Looking ahead, please keep an eye out for the booking interest form on Tuesday which we will send out to you, for our cross bar after-school clubs (ASCs) running after Easter. We're also exploring the possibility of adding Street Dance to our offerings, so watch this space for more information!

Don't forget Easter bonnets/hats next Friday!

Best wishes,

Mrs Jenny Gascoigne

Executive Headteacher

Introducing Our Parent Pod

Miss Teale has been busy transforming a space in school into a welcoming and comfortable room we are calling our Parent Pod.

This is a dedicated area where parents and carers can come for a friendly chat with a member of staff, such as our SENDCo, Mrs McNamee, or our Learning Mentor, Miss Teale.

If you feel you would like to talk about parenting, SEND, health, finances, behaviour, or anything else that's on your mind, please don't hesitate to get in touch to make an appointment.

We are here to listen, offer support where we can, and signpost to other services when needed.

We hope the Parent Pod becomes a valuable space for our school community.
